Dear Mr. President

I have written to the Bursar as follows:

Dear Sir:

I am instructed by the Athletic Directorate of the University of Toronto to request the Board of Governors to release the Directorate from their financial obligations to the Board during the present year. The Directorate are obliged to take this step on account of our financial condition at the present time as outlined in the enclosed statements. This condition is due to the following causes:-

- (a) the present unsettled financial conditions are affecting the attendance at Rugby matches, our chief source of revenue;
- (b) the dropping-out of the R.M.B. Rugby team from the regular schedule, thus giving only two home games instead of three, and depriving us of one of our good drawing games;
- (c) a large number of unpaid accounts and liabilities brought forward from last year.

The Directorate venture to draw attention to the fact that in an unusually prosperous year, viz; 1911-12, they made a further payment, in addition to the forty per cent required, from the Intercollegiate Rugby gate receipts, and ask that this fact be taken into consideration.

Faithfully Yours J. A. Reed.

Secretary

I also enclose copies of the statements enclosed and have made some foot-notes on your copy.

Faithfully Yours J. A. Reed.
